RE: Proceeding No. 15-149

Dear Chairman Wheeler:

The St. Louis Area Foodbank is the bi-state region's largest non-profit food distribution charity. Our mission is to feed hungry people throughout the bi-state region and engage our community in the fight against hunger.

Charter and its employees are partners with our organization. They have provided assistance both financially and in the collection of food. Last year alone, Charter's donations to our organization helped us provide more than 13,000 meals for area families. This was a great help to us in making a difference in the lives of those in need of food assistance.

I want to commend Charter on its community assistance and I believe that Charter's community efforts will expand to other communities in Missouri under the proposed Charter/Time Warner Cable/Bright House Network transaction. I hope the Federal Communications Commission will approve the New Charter merger.

Sincerely,

Frank Finnegan
President and CEO
St. Louis Area Foodbank
